ABOUT

Experience the charm of the Natural Edge collection, a diverse selection of shaker and in-frame effect wooden doors, each with it’s distinct character.

Thoughtfully designed solid wood drawers and accessories seamlessly integrate into your kitchen. The warmth and natural beauty of solid wood paired with the precision of modern design create a harmonious blend between rustic craftsmanship and modern functionality.

A standout feature of Natural Edge is the extensive palette of paint-to-order options available for wooden doors. Whether you are drawn to subtle neutrals, modern pastels, or warm and rustic shades, Natural Edge offers a rich spectrum of colours for you to choose from. This collection offers a 10-year guarantee.

RANGES

RANGE KEY

PTO

Paint to Order

Prep, Prime & Paint.

We offer a wide range of highly pigmented paints that are rich in colour, act as a natural sealant for added longevity and are easily wipeable, making them perfect for everyday upkeep.

Explore our paint-to-order options and browse our extensive palette to find the colour that's just right for you. Ask our expert designers for advice on this option and they'll be happy to help you in store.

If you choose our Paint to Order service, your new kitchen will take a little longer to manufacture and the lead time on your new kitchen will be 6 weeks from the time the order is placed.

BSC

Best Selling Colours

Our Best Selling Colours vary from range to range, these doors can be manufactured in a shorter lead time.

CMS

Colour Matching Service

Have a specific colour of kitchen door in mind and just can't find it in our options? If so, our Colour Match Service will match it for you.

The options are endless- pick a colour, any colour and simply provide a RAL (European Standard) or BS (British Standard) paint colour and we will match it, true to your specifications.

Alana in Reed Green and Taupe

Alana

- PTO
- BSC
- CMS

The narrow framed shaker style door creates a sophisticated and refined look and feel. The innovative design is as equally at home in a modern kitchen with its big and bold colour décors as it is in achieving a country feel when paired with traditional handles and accessories. Alana's uncomplicated design gives you the flexibility to mould this door to your style.

Hartford in Graphite

Hartford

- PTO
- BSC
- CMS

Possibly the most modern and subtle handleless shaker on the market. The Hartford door perfectly blends modern and classic styles. Its unique solid timber ash frame and veneered centre panel offers a fusion of traditional touches with a contemporary twist. Make it your own by choosing from a wide range of paint to order options.
